

2021 Canada Summer Games Tennis Technical Package

Technical Packages are a critical part of the Canada Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist Host Societies by detailing competition formats and scoring procedures, assist provincial/territorial mission team (P/T Team) Chefs de Mission in verifying eligibility, identify the maximum number of participants permitted, advance coaching certification by stating minimum requirements and generally contribute to athlete development by identifying each National Sport Organization's (NSO) version of athletes in the "Train to Compete" phase of its Long Term Athlete Development Framework (LTAD), or other suitable phase of the framework as justified by the NSO, discussed with the LTAD expert group, and approved by the Canada Games Council (CGC) Sport Committee.

Every Games' technical representative, coach, manager, sport leader and mission staff has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete their eligibility for the Games or could affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, they are to seek clarification from the CGC Sport Committee through their Chef de Mission or NSO.

Technical Packages are developed 36 to 24 months prior to Games primarily by NSOs, following the Principles that Govern Technical Packages, guidelines and requirements of the CGC. As the overall governing body of the Games, the CGC has the ultimate authority over Technical Packages, but this authority is exercised only with the knowledge and understanding of the concerned NSO. Generally, Technical Packages are developed by sport, but in certain cases may be developed by discipline.

If an individual wishes to seek clarification or initiate a change to a Technical Package leading up to a Games, the request should be first directed to the NSO or the Chef de Mission. The NSO or Chef de Mission will evaluate the merits of the request and will, if it has merit, submit the requested change or clarification to the CGC's Sport Department for consideration. The NSO or Chef de Mission will provide the rationale for the request. Changes to age groups, eligibility requirements, team sizes or staff complements will not be considered within 36 months of the Games. Additions or changes to events/competition formats that result in a significant cost increase to the Host Society will not be considered within 24 months of the Games, unless approved by the CGC and the Host Society. Substantive changes to events or competition formats will not be considered within 18 months of the Games, unless approved by all participating Provincial/Territorial Sport Organizations (P/TSO) and the CGC. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six [6] months of the Games. These time frames reinforce the importance of complete understanding of the Technical Package by Games' stakeholders early.

5. COMPETITION

5.1. Events

- Mixed team competition (see Section 5.3 and Appendix 3)
 - Consists of up to 13 Provincial/Territorial Teams, one [1] from each province/territory

5.2. Rules

The rules and regulations of tennis, as published in “The Rules of the Court”, will be followed.

5.3. Team Event

5.3.1. Tournament Format

The team event will be contested as a round robin tournament followed by two tournament brackets to determine final placing for all competing teams (see Appendix 3 - Competition Format for specific details).

a. Round robin

Teams will be placed into three pools and play a single round robin tournament within their pool. Teams are awarded one [1] point for winning a tie. The standings in the round robin are determined by the highest number of points.

b. Championship bracket

Following the completion of round robin play, all teams will be placed in the championship bracket, with bracket seeding determined by results in the round robin. The championship bracket will determine the Gold and Silver medalists.

c. Placement bracket

Teams eliminated from the championship bracket will move to the placement bracket. This bracket will determine the Bronze medalists and final placing for all teams eliminated from the championship bracket.

5.3.2. Seeding Process

Seeding to determine round robin pools will be determined by Tennis Canada, with regard to the overall depth of each team, taking into consideration 2021 Jr U18 rankings and all available 2021 National and International results (up until 30 days prior to the Opening Ceremony [July 7th, 2021]). Tennis Canada will complete the team seeding no later than 14 days prior to the Opening Ceremony (July 23rd, 2021). Should a team change its lineup after the seeding has been completed, Tennis Canada will reseed the teams and inform the provinces/territories as soon as possible.

5.3.3. Competition Format - Each Tie:

5.3.3.1. Each provincial/territorial team tie will be based on playing six [6] matches, as follows:

- Two [2] women's matches
- Two [2] men's matches
- One [1] women's doubles match
- One [1] men's doubles match

5.3.3.2. Team line-up may be changed for each tie played. Coaches are free to rotate the players used in singles, doubles and/or mixed doubles. A lower ranked player (based on the official Order of Merit) cannot compete above a higher ranked player within the singles matches of a tie.

Example:

- Player A is ranked #15
- Player B is ranked #22
- Player C is ranked #46
- Player D is ranked #70

If a provincial/territorial team decides to play Player B in the #1 singles position, Player A cannot be played in the #2 singles position, they can only play in doubles. Player C or D would then be inserted into the #2 singles position.

5.3.3.3. No player may play more than one match in each tie, unless they are nominated to play in the mixed doubles seventh match.

5.3.3.4. The official nominations for each tie must be submitted to the event referee (in writing) the night before by 5:00pm sharp. Failure to do so will result in an automatic default of the tie. The only exception to the 5:00pm submission requirement is the 7th match (mixed doubles). If a 7th match is required in a tie, coaches have the latitude to select any one male and one female member of the team to compete in the match.

5.3.4. Matches

Each match (including the deciding seventh match) will be based on playing the best 2 out of 3 sets (no ad scoring) with a 7 point tiebreak at 6 games all.

Examples

- Player 1 wins the first set 6-1
- Player 2 wins the second set 6-3
- Third set tied at 6-6, 7 point tiebreak to be played to determine the winner of the match.

5.3.5. Scoring

Scoring will be based on one [1] point for each match won and the total points earned by all individuals representing their provincial/territorial team will be combined to determine the outcome of each team tie.

5.3.6. Seventh Match

In the event that two competing provincial/territorial teams have equal point totals, upon completion of the six prescribed matches in a given tie, each team will nominate its preferred mixed doubles team for the seventh and deciding match.

5.4. Coaching

On-court coaching will be permitted on each ninety-second changeover during each match. The appointed coach may question the Chair Umpire on a “point of fact” and in the case of an appeal, on a question of “tennis law” may call for the Referee.

5.5. Substitutions

5.5.1. Once teams depart their home province/territory for the Canada Games their rosters are final and substitutions are not permitted.

5.5.2. If a player is injured or otherwise unable to continue during a match in progress, the player will be required to retire, substitutions are not permitted.

6. TIE BREAKING RULES - COMPETITION

Ties in the results of a round robin competition shall be broken as follows:

6.1.1. If two [2] teams are tied with the same number of points, the tie is broken as follows: The head-to-head result of the two [2] teams.

6.1.2. If three [3] teams are tied with the same number of points, the tie is broken as follows:

6.1.2.1. The percentage of sets won played against all other teams in the group (i.e. total sets won divided by total sets played).

- 6.1.2.2. If, after this calculation, only two [2] teams remain tied, the result of the head-to-head match played between the two [2] teams will be used to break the tie.
 - 6.1.2.3. The percentage of games won of games played against all teams in the group (i.e., total games won divided by total games played).
 - 6.1.2.4. If, after this calculation, only two [2] teams that remain tied, then the order will be drawn by lot.
- 6.1.3. In applying the tie-break procedures above, the results of matches involving a match default or retirement shall be used in determining the percentage of sets and games won. When a player retires or is defaulted from a match for a violation, the full score shall be recorded. Examples: Player A leads 6-1 2-0 when Player B must retire. Player A's victory shall be recorded as 6-1 6-0. A walkover or default counts as a straight set win or loss for the players/teams involved in the match (6-0 6-0).

If a player withdraws or is a no-show for the entire tournament, the player is defaulted from the round robin event and all of their results from matches played are void and not to be considered. Similarly, any team defaulted pursuant to the code of conduct during the round robin event (except in the case of violations involving dress or punctuality) shall be defaulted from all other matches in the round robin, and may not be declared the winner of the round robin; all of their results from matches played are void and not to be considered.

A retiring player may still continue in the competition if it is determined by the trainer or tournament doctor that such player is able to compete at full capacity.

- 6.2. See 5.3.6 "Seventh Match" in Section 5 for the tie breaking rule for team matches.

7. REGISTRATION & EVENT ENTRIES

7.1. Canada Games Council Registration Deadline

The Order of Merit will be determined using the same criteria used to seed the U18 National Championships.

Each province/territory must submit the final Order of Merit for their team at the Tennis Coaches'/Managers' Meeting prior to the start of competition. At this meeting, any changes from the original submission (initial Order of Merit) must be made in accordance with the official seeding criteria and are subject to final approval by Tennis Canada.

8. **SPORT SCORING POINTS**

Sport scoring points are a tool used to determine the performance of a P/T Team across all events within a sport. At the conclusion of an event, sport scoring points will be awarded using the following criteria:

8.1. Team Event

- Teams will be ranked from first through last place.
- Sport scoring points will be awarded based on the chart below.

Placing	Points	Placing	Points	Placing	Points
1st	150	6th	100	11th	50
2nd	140	7th	90	12th	40
3rd	130	8th	80	13th	30

Games to Games performance by a P/T Team at the Canada Games is measured by accumulated Flag Points. Every P/T Team is awarded Flag Points for its ranked performance in each sport in which it competes.

In tennis, Flag Points will be awarded together for female and male events based on the total of sport scoring points awarded.

After ranking the P/T Teams from first to last, and after any ties have been resolved as detailed in [Section 10 \(Tie Breaking Rules - Flag Points\)](#), Flag Points will be awarded as follows:

Placing	Points	Placing	Points	Placing	Points
1st	20	6th	10	11th	3

5th	12	10th	4		

10. TIE BREAKING RULES - FLAG POINTS

If, at the completion of all events, two or more provinces/territories have the same number of accumulated sport scoring points, the team with the most event first place finishes will be given the higher ranking. If still tied, the team with the highest number of second place finishes will be given the higher ranking and so on, until the tie is broken.

11. MEDALS

The Canada Games will award medals to athletes only.
